Press Release

Sleep Naked In Barnes and Noble on June 17

NEW YORK, May 24, 2005 – Barnes and Noble Fresh Meadows (176-60 Union Turnpike; Fresh Meadows, NY 11366) will be hosting a release concert for **Elizabeth Rose's** debut album, *Sleep Naked*, on Friday, June 17 from 7:30PM to 9:30PM. The event will feature live music by Elizabeth Rose and special guests. The album will be available for purchase. Admission is free and all are welcome.

Rose is a New York musical performer, with TV, film and stage credits. *Sleep Naked*, her first full length studio CD, is about to hit the racks on June 17. "The 12-song collection *Sleep Naked* is a journal of emotions, well wrought and insightfully captured. Aided by tight arrangements and a cracking supporting ensemble, Elizabeth Rose's bluesy, soulful approach has a touch of Bonnie Raitt, but with the insouciant funk of Rickie Lee Jones and the lyrical sophistication of Cole Porter." (Jon Chappell, author, "Rock Guitar for Dummies"). Produced by Shinya Miyamoto, the album also features a "cadre of veteran musicians" who have played with the likes of Billy Joel, Paul Simon, Bob Dylan, Stevie Wonder, Barbra Streisand, Frank Sinatra and the Harlem Gospel Choir.

Rose is donating a portion of her CD proceeds to help fund music in schools.
